## **Scott Bader Europe Increases Texicryl and Texipol Product Range Prices**

Scott Bader Speciality Polymers will increase prices in Europe for Texicryl styrene –acrylic and pure acrylic dispersions by €180 /pmt and Texipol inverse emulsions by €65 /pmt. This is effective from 1<sup>st</sup> May 2010 or as contracts allow.

The price rise is being implemented in response to the continued escalation in raw material costs associated with the manufacture of the products.

### **About Scott Bader**

Scott Bader was established in 1921. Today it is a £180 million multinational chemical company, employing 560 people worldwide. It is a common trusteeship company, having no external shareholders, with a strong commitment to support its workforce, society and the environment. Scott Bader's headquarters is based in the UK where they have purpose-built, state-of-the-art technical facilities that provide R & D as well as complete evaluation, testing and application support. They have manufacturing facilities in the UK, France, Croatia, The Middle East and South Africa.
