- ✓ You can now buy just a single 25kg keg of a high quality, market leading brush or spray gelcoat in any RAL colour.
- ✓ Fast delivery in 3-5 working days.
- ✓ Excellent colour opacity.
- ✓ Excellent handling properties.
- ✓ Excellent UV resistance.
- ✓ Small delivery charges will apply, although any order over £300 has free delivery to any UK mainland destination.
- ✓ Topcoat versions 65PAX Rapide and LS 97PAX Rapide are also available in all RAL colours.
- ✓ Competitive prices.

## How does Crystic Rapide compare to competitive products?

In-house tests and customer feedback have proven that the colour match is better than many competitive products.

## Customer Endorsement

**"We have tried a number of 65PA Rapide colours and are very happy with the quality. We are pleased that Scott Bader is now offering this quick delivery service"**

Keith Siddle, Lamplas Polymer Engineering

## Where can you use it?

Crystic 65PA is still the UK's leading GRP gelcoat, with sales of over 50,000 tonnes since its launch. It has proven, long term performance in use for over 45 years in demanding markets such as; building, transportation and marine.

LS 97PA is a superior weathering spray gelcoat used extensively across Europe.

You can use both gelcoats and topcoats with a high level of confidence that quality is not compromised over speed of service.
